

DEEP VIKAS SHAH

INDEPENDENT DIRECTOR

A seasoned finance and accounting professional with extensive experience in financial reporting, accounting operations, and compliance management for Limited Companies. With a strong command over the complete accounting lifecycle, including preparation, review, and finalization of financial statements, he has played a key role in ensuring accuracy, transparency, and adherence to applicable accounting standards and regulatory requirements.

His expertise includes conducting comprehensive statutory compliance reviews covering critical areas such as Tax Deducted at Source (TDS), Goods and Services Tax (GST), Provident Fund (PF), Professional Tax (PT), and other regulatory obligations. He has been instrumental in identifying compliance gaps, implementing corrective measures, and strengthening internal control frameworks to minimize financial and regulatory risks.

With hands-on experience in fund flow analysis, cash management, and utilization review, he provides valuable insights into financial planning, resource allocation, and operational efficiency. His ability to analyze financial data, monitor fund movements, and support strategic decision-making enables organizations to maintain financial discipline and achieve sustainable growth.

Combining technical expertise with a practical understanding of business operations, he brings a detail-oriented and solution-driven approach to financial management. His contribution extends beyond accounting functions, supporting organizations in enhancing governance, improving financial controls, and ensuring long-term financial stability.
