

SACHIN NAGENDRA SINGH

INDEPENDENT DIRECTOR

Sachin Singh is a qualified Company Secretary and Law Graduate (LLB) with extensive experience and expertise in the areas of corporate governance, regulatory compliance, legal advisory, and board-level strategic guidance. With a strong understanding of corporate laws and regulatory frameworks, he has successfully advised boards, senior management teams, and organizations across diverse industries on matters relating to the Companies Act, SEBI regulations, corporate restructuring, governance practices, and statutory compliance requirements.

Throughout his professional journey, Sachin has developed deep expertise in navigating complex regulatory environments, ensuring that organizations remain compliant while aligning their business objectives with sound governance principles. His experience encompasses drafting and reviewing commercial agreements, managing contractual risks, providing legal opinions, strengthening compliance frameworks, and advising stakeholders on critical corporate and regulatory matters.

As an advisor to boards and leadership teams, Sachin brings a balanced approach that combines legal acumen with practical business insights. He focuses on identifying potential risks, improving operational transparency, enhancing accountability, and enabling informed decision-making through effective governance mechanisms. His ability to interpret regulatory developments and translate them into actionable strategies allows organizations to proactively address challenges and create sustainable value.

In his role as an Independent Director, Sachin Singh is committed to upholding the highest standards of integrity, transparency, and ethical conduct. He plays a vital role in promoting responsible corporate practices, safeguarding stakeholder interests, and strengthening board effectiveness. Through his independent perspective, professional expertise, and commitment to good governance, he contributes meaningfully to building resilient organizations founded on trust, compliance, and long-term growth.
